Rocky Lane School

WELCOME TO THE 2020-21 SCHOOL YEAR!

At Rocky Lane School we are looking forward to another fun year learning and growing together. With Covid-19 we have made many changes to ensure the health and safety of staff and students at school. Please hand **sanitize and wear** a mask when coming into the office. We have face masks in the entrance if you need one. This year the **FVSD school hours will be from 9:00 – 2:30pm. Doors will open at 8:30am** for student drop off.

All staff and students are expected to wear masks on the bus and in the school.

We have created cohorts where students will stay with their cohort and same teacher all day. Teachers also have plexiglass dividers when working one on one with students to further protect staff and students.

We are excited to see so many happy students in the building eager to get back to learning. We have some new staff that are excited to be at Rocky Lane. Classes have already started some great reading and writing programs in their classes providing strong literacy supports for our students!

- FVSD would like to remind families that anyone interested in having their children access face to face learning is asked to contact the school prior to September 30, which is decision date.
- Orange Shirt Day is Wednesday, September 30th. We are planning activities at the school for students. If you have anything you would like to share for this day please contact the school office.
